Your preservation age is between 55 and 60 depending on your date of birth. Preservation age is 55 for individuals born before 1/7/1960 and progressively increases for individuals born after this date up to age 60 for people born on or after 1/7/1964.
2. The Tax offset amount is calculated as 15% of the Taxable component — Taxed element shown on your PAYG Payment Summary — Superannuation Income Stream.
3. If you are aged 60 and above you will not receive a Tax offset for your income. However, if you were 59 and turned 60 in the financial year, you may be entitled to a Tax offset for income you received whilst age 59.
